National Communiqué No 003
ITC-SA Members in KZN

Dear All,

I take pleasure in informing you that Mr. Colin Armstrong has agreed to assist the ITC-SA in KZN during the absence of a Regional Representative. As you by now know, Colin is busy working towards his Pr. Eng. registration after which he will fully participate as an accredited Engineer Member of the ITC-SA. However, he has in the interim responded positively to the prompting of Mr. Chris Hobson from D&A Timbers, and will be servicing the local KZN ITC-SA Members until the end of June 2012.

Colin has signed a four month performance based Service Level Agreement with the ITC-SA, and will fulfil all the functions that he previously conducted when in full time employment of the ITC-SA. This communiqué therefore serves as an invitation to make use of the services of the ITC-SA through both Colin and Chris.

In this period of transition, ITC-SA will be looking for prospective candidates that will be able to take over the baton from Colin, when he finally devotes himself to his engineering role. We extend a warm word of welcome back into the family to Colin, even if only for a short period. We wish him well in both endeavours of serving the ITC-SA and in obtaining his Pr. Eng. before the end of June 2012.

Naturally we at Head Office remain at your service, and we again extend an invite to you to correspond with us on issues of concern, or any recommendation that ITC-SA may want to consider to grow and better itself for the interest of its loyal membership.

Kind Regards
Fred Wagenaar
Executive Officer (ITC-SA)
