National Communiqué No 006

Dear ITC-SA Members.

The only constant in life is change!

This was first confirmed and verbalised by **Heraclitus of Ephesus**, who was a [pre-Socratic Greek philosopher](#), a native of the Greek city [Ephesus, Ionia](#), on the coast of [Asia Minor](#). He was of distinguished parentage. Little is known about his early life and education, but he regarded himself as self-taught and a pioneer of wisdom.

This saying is also true in the life of the ITC-SA. **Mr. Ferdi Van Greuning**, who was employed by the ITC-SA for many years, has terminated his Service Level Agreement with immediate effect, and will in future be concentrating on other business ventures. The ITC-SA accepted the termination letter from Mr. Van Greuning and wishes him well in his future endeavours.

The vacancy thus created for a Gauteng Regional Representative will in the interim be managed internally, and until such time as a suitable candidate has been identified and contracted to take over this function. During this process, the ITC-SA will also be investigating new possibilities to serve the needs of its Gauteng Membership base better, and to do so in a financially sustainable manner.

We therefore ask for your indulgence, and patience and also, that all Membership needs previously discussed and given to Mr. Van Greuning be forwarded to Ms. Amanda Obbes at ITC-SA Head Office. Ms Obbes will ensure that we respond to all your needs appropriately and timeously. In the case of any emergency, I remain available and invite you to contact me on my office and/or cell number for help and support.

Yours faithfully

Fred Wagenaar
