10 December 2015

TO: All ITC-SA Members

### **National Communiqué No. 050**

Dear Members,

It is hard to believe that yet again we have come to the end of the year with most of us looking forward to a well-deserved break.

The departure of Mr Wagenaar left a void at the ITC-SA and we wish to thank him for all his hard work and dedication to the ITC-SA over the past few years and for taking the ITC-SA to the “next level” of recognition in the industry. We wish him all the best in his future endeavors. Mr Wagenaar left big shoes to fill and I am assured that we will soon have a replacement in the driving seat.

I wish to thank the Board of Directors who, having full time employment and businesses of their own to run, have really stepped up since August 2015 with Mr Wagenaar’s departure to assist Ms Obbes in keeping the ITC-SA afloat and we are grateful for their continued dedication to the ITC-SA.

We assure you that the ITC-SA is standing as strong as ever and with the integration of the “ITFB” and the increased membership, the ITC-SA now serves a wider category of membership in the industry. With this we have gained an employee in Ms de Waal who some of you might have had contact with over the past year, who has a shared passion to serve our members.

We wish to thank Mr Butler and Mr Keevey for their continued service in their respective areas in assuring that a high level of standard is maintained in the industry.

The ITC-SA will strive to exceed our performance in the new calendar year and to promote your business; one of the benefits for which you registered at the ITC-SA. Feedback and input from our members is essential in achieving our goals. You will soon be invited to participate in an industry survey from an independent company and to which we earnestly request that all membership categories will participate.

I take this opportunity to thank our members for all their support over the last year and wish each and every one of you and your loved ones a magical festive season and a prosperous 2016.

The ITC-SA offices will officially be closed from the 17<sup>th</sup> of December 2015 to the 8<sup>th</sup> of January 2016. Ms Obbes will be available on her cell phone should you need to contact the ITC-SA.

Kind Regards and best wishes
