24 August 2016

TO: ALL ITC-SA MEMBERS

National Communiqué No:057
ANNUAL NATIONAL ENGINEERED TIMBER AWARDS

Dear Member,

The ITC-SA successfully held its Annual Timber Engineered Product Awards on Friday the 19th August 2016 at Nasrec, Johannesburg which was attended by one hundred and thirty five guests, a bumper number of attendees. We wish to thank each and every member for making the effort to attend.

There are many people who are involved in making an event a success and we would like to thank all of those who in some way contributed with either their time or finances. To our judges, Mike Allum, Graham Retief, Jacques Cronje, Roly Adams, Errol Hobden and Eljo Balaam, who offer their services out of their working day to judge the portfolio's that you as members submit.

Thank you to the Platinum sponsors MiTek Industries SA, Bronze Sponsors, BUCO, SAWPA and Sawmilling SA. Thank you to Specialised Exhibitions, International Truss Systems, LCP Roofing, Multinail Africa, Timber iQ and SA Roofing who were our event sponsors.

Dr Melanie Blumentritt, a post-doctoral fellow at Stellenbosch University at the department of Forest and Wood Science was the guest speaker who spoke on the topic "Should we store carbon in wood".

Thank you to all who submitted a portfolio/s into this year's Timber Engineered Product Awards. Categories entered into were Decks, Alterations & Additions, Structures smaller than 120m², Larger than 120m² and Larger than 220m². We received a credible 8 entries in the new roofing category, including commercial, residential and exposed trusses. They demonstrated the versatility in timber design, fabrication and erection of roofs covering places of public assembly and exotic domestic buildings.

Congratulations to all our winners!!
