13 December 2016

TO: ALL ITC-SA MEMBERS

COMMUNIQUE No. 064
YEAR END 2016

Dear Member,

The year is rapidly galloping to a close in what has certainly been very eventful and a watershed year for the ITC-SA.

The membership survey conducted by Parker Analytics in the first quarter provided the board with constructive feedback and as so enabled us to make some far reaching decisions in order to ensure the wants and needs of our members are a priority.

Our goal is to create an underlying need “to belong” as membership of the institute must enhance the competitive advantage of all our members in the markets in which they operate.

The initiatives that have been put in place have already yielded results in enhancing the status and credibility of the ITC-SA and I certainly look forward to what 2017 has in store for the ITC-SA and the additional benefits for our members.

January 2017 herald's the start of a new era of voluntary membership across all membership categories and I trust that it is also the start of positive engagement and interaction with our members. The institute belongs to all members and the board as well as management of the ITC-SA welcomes and would encourage more interaction with our members.

I wish to thank Amanda Obbes and Jenni De Waal for their unwavering support and commitment to the day to day running of the institute as well as Graham Butler, Ian Keevey and Abe Stears and his SATAS team for the continued service and support in ensuring that industry standards are maintained.

I further wish to thank all members of the board for giving so unselfishly of their time to serve the institute and its members.

Last but not least I would like to thank all our members for all their support and positive engagement over the past year and I close in wishing each and every one of you a Safe and Blessed Festive Season and a Prosperous 2017.

The ITC-SA offices will be closed from 19 December 2016 to 9 January 2017.

Best Wishes

Chris Hobson
Chairman ITC-SA
