Dear Ms Obbes

**THE INSTITUTE FOR TIMBER CONSTRUCTION SOUTHERN AFRICA (ITC-SA):
REGISTRATION OF AN ADDITIONAL PROFESSIONAL DESIGNATION**

The South African Qualifications Authority (SAQA) is pleased to inform you that the SAQA Board on 6 December 2017 registered the following additional professional designation on the National Qualifications Framework (NQF) in terms of Section 13 (1) (i) (ii) of the *National Qualifications Framework Act, 2008* (Act No. 67 of 2008) which states SAQA must recognise a professional body and register its professional designation if the criteria contemplated in subparagraph (i) have been met;±

- *Certified Timber Roof Truss Designer*

I trust that the registration of your additional professional designation will be to the benefit of your sector as a whole, to the Institute for Timber Construction Southern Africa (ITC-SA), and to the NQF and that it will contribute to skills development and professional service delivery in South Africa.

I look forward to continuing co-operation between ITC-SA and SAQA.

Yours faithfully,

JOE SAMUELS
CHIEF EXECUTIVE OFFICER

cc: Ms EF Nyaka, Director: Registration and Recognition

SAQA'S MISSION

“To ensure the development and implementation of a National Qualifications Framework that contributes to the full development of each learner and to the social and economic development of the nation at large”
